

THE BROOKS

From Montreal to Paris, Copenhagen, Morocco and Mexico, The Brooks is a success wherever they go, captivating crowds with their undeniable talent and energy worthy of the biggest names in the Funk, Soul and R & B scene. Major performances are accumulating on the band's list: from Osheaga to the Montreal Jazz Festival, including being Charles Bradley's opening act and the Montreux Jazz Fest.

An electrifying and dynamic energy exchange. An experience of funky grooves and bright soul. A true collective celebration of the present moment in respect of the mythical musical influences from another era.

It's impossible to resist The Brooks' groove.
